### **8.3 Relevant Matters**

Nil.

### **8.4 Matters Raised in Submission**

The development application did not require public notification.

### **8.5 Reason for Decision**

The development application is approved and the reasons for the decision are based on findings on material questions of fact:

- The boundary realignment will not detrimentally impact on Lot 1 and Lot 2 on GW25's viability for on-going agricultural activities;
- The realigned lots will continue to be consistent with the lot layout of other rural allotments within the Blackall Tambo Regional Council area;
- The realigned lots will continue to be serviced by all necessary infrastructure services;
- The proposal does not conflict with the reasonable development expectations for land within the Rural zone; and
- Although the subject site is partially affected by the Bushfire Prone Area shown on State Planning Policy mapping, the proposal does not result in the creation of any additional lots and therefore does not worsen the hazard risk.

**9. PROPERLY MADE SUBMISSIONS**

The development application did not require public notification.

**10. REFERRAL AGENCIES**

The development application did not require referral to any referral agencies.

**11. FURTHER DEVELOPMENT PERMITS REQUIRED**

No further development permits required.

**12. RIGHTS OF APPEAL**

The rights of applicants to appeal to a tribunal or the Planning and Environment Court against decisions about a development application are set out in chapter 6, part 1 of the *Planning Act 2016* (included in the attachment to this decision notice). For particular applications, there may also be a right to make an application for a declaration by a tribunal (see chapter 6, part 2 of the *Planning Act 2016*).
