

Blackall-Tambo **Regional Council**

Expressions of Interest – Works Department

You can register your interest in a potential casual position with the Blackall and Tambo Works Department by submitting a letter outlining your area of interest and expertise.

You would be required to have experience in general labouring, small plant operation, and a Construction Induction (White Card). Having a driver's licence and machinery experience would be beneficial as well as having a good grasp of workplace health and safety responsibilities and the ability to work as part of a team.

You will be contacted regarding any opportunity that may become available; however, you will not receive any feedback or updates if there is no suitable vacancy.

Your application will remain active until **30 June 2024**. You will be required to reapply after that date to ensure Council is aware that you are still interested in any casual positions within our Works Department.
