

Blackall-Tambo **Regional Council**

Pre-Existing Injury Declaration

The aim of this requirement is to assist BTRC in providing a safe work environment for its employees and preventing injuries from recurring.

The completion of this declaration is a requirement of the recruitment process and must be forwarded with your application for you to be considered for the available position.

Prior to making this declaration we must provide you with a written description of the job. This Position Description outlines the duties and tasks you may be expected to undertake. It also outlines any possible physical or stress related tasks.

We are not asking you to disclose that you have claimed compensation in the past.

We do ask that you state to us if a pre-existing injury or disease may hinder you from carrying out the full duties as outlined in the Position Description. This may not automatically make you ineligible for the position within our organisation.
