SAFETY FIRST ASBESTOS

IMPORTANT INFORMATION FROM THE QUEENSLAND SAFETY REGULATOR

Starting 1 August 2024, Workplace Health and Safety Queensland inspectors began auditing businesses operating from buildings constructed before 1990 and those likely containing asbestos to ensure compliance with asbestos regulations. The audit will run until 31 October 2024, focusing on the requirement for asbestos registers and management plans.

Make sure your company is complying with asbestos regulations and has taken the necessary steps to protect workers and the community.
